

CO-CURRICULAR ACTIVITIES 2025-2026

The school intends to help each child to develop his/her capacities and inborn talent to the fullest extent. Keeping this in view, school conducts weekly co-curricular activities for which two periods a week are set aside. In order to realise the highest ideal of education, development of a well rounded personality and to inculcate a healthy quality of leadership & competition, the classes LKG to Std. IV have been divided into three groups- Group-A comprising of KG, Group-B of Std. I & II, and Group-C of III & IV with a separate calendar of co-curricular activities for each group and a duty week assigned for each class. The class teachers guide and train the students for different competitive activities as well as help them to perform the weekly duties related to morning assembly, school's discipline and other day-to-day commitments. Such an arrangement is intended to cultivate and awake in the students, a striving for excellence.
